

**NON-AGGRESSION AND COMMUNITY RECONCILIATION AGREEMENT**  
**BETWEEN**  
**THE INHABITANTS OF THE 3RD DISTRICT AND THE PEOPLE OF BIMBO**  
**III**

Considering that the CAR has experienced a military-political crisis since 2012 that has marred the country with inter-communal violence, the erosion of state autonomy, the disruption of social cohesion and the wide-scale displacement of thousands of people inside and outside the country.

Considering that the conflict largely affected the city of Bangui in general, and the 3rd district and the town of Bimbo III in particular, and that it forced inhabitants of the 3rd district to retreat into the Km5 enclave, and some inhabitants of Bimbo III to Displaced Persons sites in Bangui.

Considering that the populations of both communities were victims of looting, assassinations, rapes, and other numerous crimes during the conflict.

Considering that the closure of the Boeing Muslim cemetery since the crisis, which has resulted in unregulated burials in the 3rd district of Bangui, constitutes a major obstacle to restoring social cohesion in both communities and a violation of the right of all human beings to bury their dead with dignity

Considering the recommendations of the Bangui National Forum of 11 May 2015 and the will of the Central African Government to resolve the inter-communal conflict in the country, and in the 3rd district and in Bimbo III in particular

Considering, the concerns of young people from both communities about their ability to move freely in the 3rd district and Bimbo III, due to lack of safety, to armed aggression, and the abundant feelings of hatred and revenge.

Considering the willingness shown by young men and women of the 3rd district and Bimbo III to rebuild peace together, with the support of local NGOs, development partners, the international community and of other benevolent people.

We, the Communities of the 3rd District of Bangui and Bimbo III have agreed as follows:

Article 1: Both communities agree to the immediate reopening of the Boeing Muslim Cemetery to allow the Muslim community to bury its dead with dignity.

Article 2: The inhabitants of Bangui City's 3rd district pledge to prohibit carrying and use of all weapons during funeral processions crossing the Bimbo III neighborhoods when travelling to the Boeing Muslim Cemetery.

Article 3: The inhabitants of Bimbo III, for their part, pledge to forbid any obstruction to funeral processions crossing their zone, to guarantee the safety of these processions, and to respect the dead by abstaining from any desecration of graves.

Article 4: Both communities pledge to outlaw any physical or verbal violence, armed aggression, rape, looting, and all behavior that is likely to aggravate inter-communal tensions.

Article 5: Both communities pledge to resist any kind of attempt to manipulate members of their communities for political, religious, ethnic, and cultural reasons

Article 6: The two communities endeavor to ensure and promote the free movement of persons and goods throughout the 3rd District and Bimbo III.

Article 7: Both communities pledge to work for peace, and to restore social harmony through living together. They also pledge to creating a culture of peace based on the new citizenship established by the Bangui National Forum and the strengthening of the Central African Republic's fundamental values.

Article 8: The two communities commit to promoting the harmonious coexistence of religions and beliefs and to:

- 1- Foster mutual respect and friendliness, and to make diversity a key positive aspect of the community.
- 2- Respect the secular nature of our country, foster mutual respect and cultural diversity, and promote new Central African citizenship among our various communities;
- 3- Respect and protect Internally Displaced Persons camps, places of worship, public places and the national cultural heritage.

Article 9: The two communities pledge to denounce all enemies of the peace and repeat offenders who violate the agreement. These will be reported to the Joint Agreement Monitoring Committee and to the local authorities.

Article 10: The two parties agree to set up a Joint Committee to monitor and implement this agreement.

Article 11: Any dispute relating to the interpretation and implementation of the Agreement will be resolved by negotiation between the parties through the established arbitration mechanism.

Article 12: The two communities pledge to respect and ensure compliance with the provisions contained in this Non-aggression and Communal Reconciliation Agreement.
