Mr Mayor, speaking for myself and for my people in Pombolo, I have the honor of soliciting an intervention from your benevolence. Our wish is to bring back social cohesion to bring peace, the reconciliation of our people, and long-lasting love. I have a lot of remorse for what happened between us (Pombolo and GAMBO) in the past. I did not want to clash with you and regretted it immensely

I beg you to consider the courage that it took to write to you and ask for forgiveness. I thank you for your understanding and assure you that it will not happen again.

Mr Mayor of the POMBOLO Commune
