MEMORANDUM

Considering the military-political crisis that has raged since May 2017 in the prefecture of Basse-Kotto in general and the sub-prefecture of Kémbé in particular. An outbreak of violence and exaction has disrupted the peaceful life of the population:

Given the above, the committee of elders for peace and social cohesion shall be set up by the community and religious leaders to sensitize armed groups and the population to the issues.

REQUIRED SOLUTIONS

- Free movement of people and goods;
- The release hostages;
- The removal of barriers and diversions on the axes;
- The protection of the integrity and honor of the two armed groups;
- The reopening of communication channels;
- Respect for the interests of the agro-pastoral sectors;
- The acceleration of the disarmament process by the government and the international community.
