DECLARATION OF THE INCLUSIVE INTRA AND INTER-COMMUNAL  
RECONCILIATION FORUM

IN HAUTE KOTTO

We, participants in the Inclusive Intra and Inter-communal Reconciliation Forum in Haute Kotto, gathered today, Wednesday, April 24, 2019, in the deliberation room of the Town Hall of Bria;

Considering that the various Peace Agreements and Roadmaps, signed by the Armed Groups present in Haute Kotto, have not had a positive impact on peace and cohabitation between the daughters and sons of the region;

Considering that the confidence-building measures signed on April 9, 2019, between the 6 armed groups present in Bria, constitute a major step towards the quest for peace and reconciliation between the daughters and sons of Haute Kotto;

AGREE TO THE FOLLOWING:

Point 1: To strengthen social cohesion, the daughters and sons of Haute Kotto must disarm their hearts and forgive themselves to achieve true reconciliation.

Point 2: To fight lies and rumors that are at the origin of hatred and violence.

Point 3: To respect and revive customary alliances through taking the oath

Point 4: Establish an oath monitoring committee

Point 5: Set up an inter-communal dialogue platform
